

67 Millbrook Street, Suite 419 • Worcester, MA 01606Phone: 508-926-8673 • Web: www.avatar-computing.com

Founded in 2005, AVATAR Computing, Inc. is a **Service-Disabled Veteran-Owned Small Business (SDVOSB)** dedicated to delivering advanced technology solutions to corporate, state, and federal agencies. Rooted in user-centered design and operational excellence, AVATAR leverages its history of custom software engineering, IT support, and secure infrastructure development to meet the mission-critical needs of our clients.

We continue to evolve as a strategic partner by incorporating **cutting-edge Artificial Intelligence (AI) technologies** and establishing robust **Joint Ventures** that expand our service offerings and technical depth. AVATAR Computing remains committed to enhancing operational effectiveness and supporting the warfighter and civilian missions alike.
